

DODGE COUNTY ANTIQUE POWER CLUB, INC.

www.dcapc.org

## ***INTRODUCTION***

Thank you for showing an interest in becoming a member of the club. We have a very fun and satisfying club no matter what your interest is in antique machines of all types. We welcome everyone, whether you own an antique or just have an interest in them. We have members of all ages! There is a lot to do to make our show what it is and we appreciate all the help that our members contribute during the year and during the week of the show. We have many dedicated members that put in lots of time at the grounds! If possible, we would like to see all our members contribute some time towards building our show to be the biggest and greatest in the state! Again, WELCOME and looking forward to meeting you.

Dodge County Antique Power Club

Sue Bintzler, Secretary
